

Cnoc na Gaoithe (Windy Hill), Dunfanaghy, Co Donegal, IRELAND

3- Bed Self-Catering House | Beachside | Breath-taking Views | Great Base for Touring

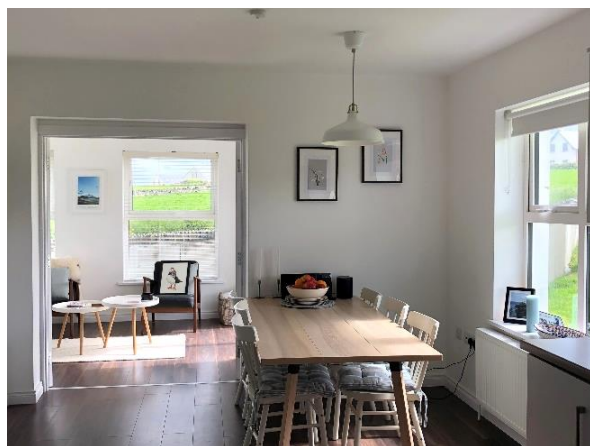

I am delighted to add this beautiful home to our offering for 2021. Having toured the length and breadth of Ireland, all roads led me back to Dunfanaghy in County Donegal which has a very special place in my heart as it was at this very location that I enjoyed many childhood holidays. Dunfanaghy is a small village in North West Donegal located on the Wild Atlantic Way with some of Ireland's most stunning Blue Flag beaches on the doorstep, amazing scenery, great local food and a little off the beaten track!
